

Internship Opportunity

The Office of Mayor Dick Murphy, City of San Diego, accepts applications to the Mayoral Internship Program. Typical internships average one semester and weekly time commitments can range from 18–25 hours. This internship opportunity is unpaid.

Interns will receive a briefing and experience the day-to-day operations of the Mayor's office, observe City Council hearings, and learn about city government. Students will be working chiefly within the Community Affairs Department, assisting with correspondence, researching issues and will attend at least two "Community Planning" meetings. For those interested, opportunities to observe press operations, protocol and policy areas may be available. The internship is open to all college students regardless of their major.

The Mayoral Internship is a unique opportunity to become familiar with the Mayor's role in municipal government while gaining experience in a fast-paced and demanding political office.

For more information contact Intern Coordinator Leslie Akers. To apply, students can mail, e-mail or fax a resume to lakers@sandiego.gov, fax (619) 236–7228 (Atten: Leslie Akers), or call (619) 236–7056.
